

Postdoctoral Fellowships for the Advancement of Life Sciences Call for Proposals 2019

The **Peter and Traudl Engelhorn Foundation for the Advancement of Life Sciences** invites outstanding junior scientists to apply for postdoctoral fellowships in the field of life sciences.

Granting institution: Peter und Traudl Engelhorn Stiftung zur Förderung der Lebenswissenschaften

Duration: 2 years

Area of research: Life Sciences

Amount of fellowship: In Germany according to TVÖD E13;
in Austria and Switzerland according to the amounts awarded by the Fonds zur Förderung der wissenschaftlichen Forschung and the Schweizer Nationalfonds, respectively

Qualifications: Studies of natural sciences, pharmacy or medicine with superior results
Age limit: 34 years
Execution of the project at a renowned research institution in Germany, Austria or Switzerland

Application deadline: July 15 for a fellowship starting in the next year

Application format: An electronic version per email and a printed version by surface mail to Contact (see below)

Required documents: Language: German or English
Letter of motivation (max. 1 page)
Description of the research project (around 5 pages plus list of references)
Curriculum Vitae plus current photo of the applicant
Certificates (Bachelor, Master Diploma, PhD, MD)
Letters of recommendation from at least 2 renowned scientists
Letter of acceptance of the host institution
Acceptance of the Guidelines of the Foundation

Selection process: The foundation decides at its own discretion.
There is no recourse to legal action.
