

**Peter und Traudl Engelhorn-Stiftung/Foundation
Supporting Life Sciences**

**Call for Proposals
Research Prize 2023
EURO 10.000.--**

Topic

***"Chain Folding, Macromolecular Aggregation and Controlled Hydrolysis
of Proteins and/or DNA/RNA –
Fundamentals and Perspectives for Medical Therapies"***

Eligibility Requirements:

The Peter and Traudl Engelhorn Foundation for the advancement of Life Sciences invites high potential young scientists to apply for the Research Prize 2023.

Applicants not older than 35 years, living/working in Austria, Germany or Switzerland, distinguished by their outstanding scientific achievements in Life Sciences (bio-informatics, systems biology, molecular biology, genetics, proteomics, biochemistry, biophysics, cell-biology, microbiology, biotechnology) dedicated to Life Sciences and manifested by appropriate publications are welcome.

Deadline of application is September, 10th, 2022 (!).

Applications should be written in German or English and **sent by surface mail and, in addition, electronically** on CD-ROM, sticks or by e-mail attachment.

Required documents are:

- Letter of Motivation (max. 1 page)
- Description of scientific achievements (approx. 5 pages plus list of publications)
- Curriculum Vitae including a recent photograph
- Certificates (copies of Matriculation Certificate, Diploma, Master, PhD, MD, etc.)
- Letters of recommendation of three acknowledged peers

The Foundation decides at its discretion on the awarding of the research prize. A recourse to the courts is not permitted. The prize will be given in **Jan. 2023**.
