

**The Peter und Traudl Engelhorn-Stiftung/Foundation
Supporting Life Sciences
announces
Call for Proposals for the Research Prize 2025
EURO 10.000.-**

Tender Topic of the Award:

"New insights into the structure and function of the human metagenome with potential medical applications in therapeutics or diagnostics"

Eligibility Requirements:

The Peter and Traudl Engelhorn Foundation for the advancement of Life Sciences invites high potential young scientists to apply for the Research Prize 2025.

Applicants not older than 35 years, living/working in Austria, Germany or Switzerland, distinguished by their outstanding scientific achievements and dedication to Life Sciences - thus manifested by appropriate publications - are welcome.

Deadline of application is September, 7th, 2024 (!).

Applications should be written in German or English and sent by surface mail and, in addition, electronically on sticks or by e-mail attachment. Required documents are:

- Letter of Motivation (max. 1 page)
- Description of scientific achievements (max. 5 pages plus list of publications)
- Curriculum Vitae including a recent photograph
- Certificates (copies of Matriculation Certificate, Diploma, Master, PhD, MD, etc.)
- Letters of recommendation of three acknowledged peers

The Foundation decides at its discretion on the awarding of the research prize. A recourse to the courts is not permitted. The prize will be given in **Jan. 2025 potentially during the traditional "Manfred Eigen Winter-Seminar"**.
